Dear Mr. Boyer,

This is an official request of behalf of Calaveras County for a 30 day extension for completion of the 2004-2005 Secured and Unsecured Assessment Rolls. This request is made in accordance with Section 155 of the Revenue and Taxation Code.

Calaveras County, has experienced a rapid rate of growth and a staff shortage over the past several years. This has resulted in an increased number of property sales, new construction and new businesses remaining to be assessed. There is a backlog of work to be completed for the 2004 roll. Therefore, a roll close extension to August 2, 2004 may be needed to achieve a fair and accurate assessment roll.

We will continue to make every effort to close the roll by June 30.

Thank you in advance for your favorable consideration in this matter.

Very truly yours,

Grant W. Metzger Jr., Assessor

Dear Mr. Speed:

In accordance with Section 155 of the California Revenue and Taxation Code, I hereby respectfully request a 30-day extension in completing the 2004/2005 Assessment Roll due to unexpected shortage of staff.

We have experienced four (4) long-term disabilities this past year, two (2) for nearly one year. We still have one appraiser position we have not been able to fill and are relying on extra help. Our other recruitments were successful; however, the process is very time consuming, as well as the training period. We have had the luxury of trained staff in this small office for many years and we are now experiencing the impact of the learning curve as well.

It is for these reasons this request for extension is necessary. Your consideration of this petition would be greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Tim Holcomb", is written over a horizontal line.
